Won't stop now, surpass yourself and demonstrate fearlessness;
On this journey towards dreams, engrave your pride.

You firmly believe, every challenge met has its meaning;
Leap forward and jump up high.
GA4 accompanies you to achieve your dreams.

GA4 Accompanies you to Achieve Your Dreams

GA4

Fashionable, Sporty and Charming Design

Design Aesthetics of Light and Shadow Sculpture 2.0

Extraordinary Flying Dynamics family front face, fluid body lines lights and shadows deliver unparalleled quality and charm.

Flying Dynamics Design of GAC Motor

Flowing lines in motion, grand existence in peace. Like an eagle spreading wings thousands of meters high, nothing can stop it from conquering;

A characteristic of GAC MOTOR, but breaking the rules of gentleness in the design of series sedans.

Sharp Stretching Waistlines

Sharp stretching waistlines extend the lights and shadows of front grilles and headlights to both sides of the body, making it seem even longer.

Daytime Running Lights (DRL)

Headlight assembly features horizontal Spreading Wings light band design. Forget the traditional impression of conventional daytime running lights, it speaks of an unique noble sense.

Spreading Wings LED

A visual impact at the first glance, the feather fletching design creates a strong impression of exquisite and elegant style.

17-inch Aluminum Alloy Wheels Hub

Fine ground 5-spokes wheels hub is a demonstration of the aesthetic concept of "beautiful shape, fine craft and quality material". It speaks of the ultimate quality of GAC MOTOR.

Empowered Gesture in Pursuing Dreams

Every Step Forward is an Attraction Itself

Ample Space

With length of 4692mm, the car is made grand and premium at view. With width of 1805mm, it provides ample and comfort space for all passengers that is beyond imagination.

1,200,000 Negative Ion Air Purifier + PM2.5 Air Filter

A forest oxygen bar provides negative ion of 1,200,000 units per cm³. When combined with the PM2.5 air filter, the car is a mobile forest accompanying you on every journey.

Extra-large Passenger Compartment Space

With front row space of 1060mm, head space of 950mm and leg space of 850mm, sitting in the car makes you feel at home.

Second Row is “Single Flank” Personalized Design

Flanks of rear seats expand outwards to make rear space even airier and more spacious, providing more freedom and comfort to all seated passengers.

Ample Space as Relaxing as at Home

The Console Extends towards Both Sides

Sharp lines extend from integrated surrounding instrument panel to A pillars on the two sides, creating a sense of spacious interior. Fine ground IP light garnish connect left and right, expanding visual space and guaranteeing a grand style.

Instrument Panel Generously Enclosed in Soft Materials

The generously applied soft enclosing materials extend horizontally to create both outstanding visual effect and touch feeling. The unmatched texture is comparable with luxury cars.

Abundant and Convenient Storage Spaces

18 personalized storage spaces enable passengers to easily place various items.

Exclusive Air Outlets + USB Ports for Rear Row Seats

Independent air outlets for the rear row seats provide balanced temperature experience for all passengers. USB ports meet the demand of rear row passengers to charge their devices during long journeys.

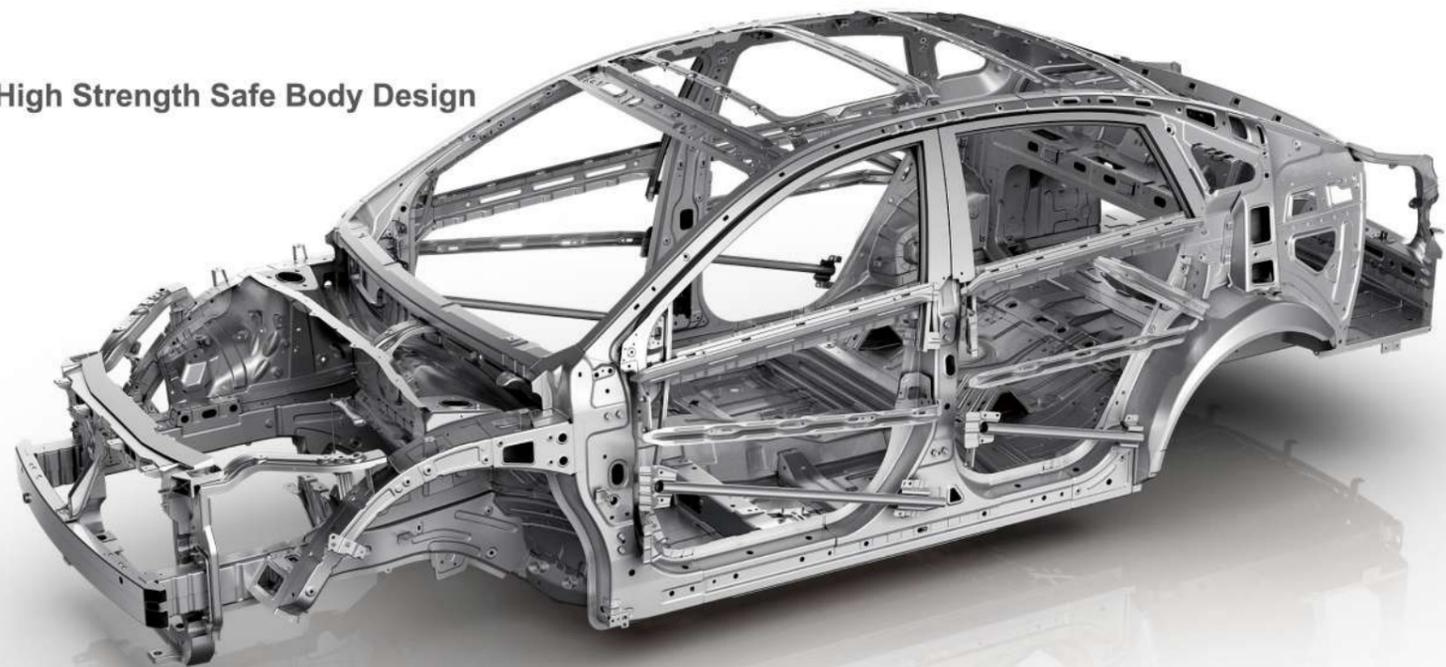

Premium Quality Leather Seats

Drawing inspiration from home sofas, seats are designed with ergonomic characteristics to fit body gestures perfectly, providing all-around support and high standards of comfort.
