GA4

In this era, those who dare to dream
and make dreams reality with actions and endeavors
will pioneer a road of glory.

Again and again, forge ahead;
Dwarfed by no storm, leave challenges far behind;
Won't stop now, surpass yourself and demonstrate fearlessness;
On this journey towards dreams, engrave your pride.

You firmly believe, every challenge met has its meaning;
Leap forward and jump up high.
GA4 accompanies you to achieve your dreams.

GA4 Accompanies you to Achieve Your Dreams

GA4

Fashionable, Sporty and Charming Design

Design Aesthetics of Light and Shadow Sculpture 2.0

Extraordinary Flying Dynamics family front face, fluid body lines lights and shadows deliver unparalleled quality and charm.

Flying Dynamics Design of GAC Motor

Flowing lines in motion, grand existence in peace. Like an eagle spreading wings thousands of meters high, nothing can stop it from conquering;

A characteristic of GAC MOTOR, but breaking the rules of gentleness in the design of series sedans.

Sharp Stretching Waistlines

Sharp stretching waistlines extend the lights and shadows of front grilles and headlights to both sides of the body, making it seem even longer.

Spreading Wings LED Daytime Running Lights (DRL)

Headlight assembly features horizontal Spreading Wings light band design. Forget the traditional impression of conventional daytime running lights, it speaks of an unique noble sense.

Spreading Wings LED Daytime Running Lights (DRL)

A visual impact at the first glance, the feather fletching design creates a strong impression of exquisite and elegant style.

17-inch Aluminum Alloy Wheels Hub

Fine ground 5-spokes wheels hub is a demonstration of the aesthetic concept of "beautiful shape, fine craft and quality material". It speaks of the ultimate quality of GAC MOTOR.

Empowered Gesture in Pursuing Dreams

Every Step Forward is an Attraction Itself

Ample Space

With length of 4692mm, the car is made grand and premium at view. With width of 1805mm, it provides ample and comfort space for all passengers that is beyond imagination.

1,200,000 Negative Ion Air Purifier + PM2.5 Air Filter

A forest oxygen bar provides negative ion of 1,200,000 units per cm^3 . When combined with the PM2.5 air filter, the car is a mobile forest accompanying you on every journey.

The Largest Passenger Compartment Space

Compared with cars of the same class, it provides the largest front row space of 1060mm, the largest head space of 950mm, and top ranking leg space of 850mm. Sitting in the car makes you feel like relaxing at home.

Second Row is “Single Flank” Personalized Design

The flanks of the rear seats expand outwards to make seats even more spacious. Rear seats provide more space and comfort when compared with the cars of same class.

Ample Space as Relaxing as at Home

The Console Extends towards Both Sides

Sharp lines extend from integrated surrounding instrument panel to A pillars on the two sides, creating a sense of spacious interior. Fine ground IP light garnish connect left and right, expanding visual space and guaranteeing a grand style.

Instrument Panel Generously Enclosed in Soft Materials

The generously applied soft enclosing materials extend horizontally to create both outstanding visual effect and touch feeling. The unmatched texture is comparable with luxury cars.

Abundant and Convenient Storage Spaces

18 personalized storage spaces enable passengers to easily place various items.

Exclusive Air Outlets + USB Ports for Rear Row Seats

Independent air outlets for the rear row seats provide balanced temperature experience for all passengers. USB ports meet the demand of rear row passengers to charge their devices during long journeys.

Premium Quality Leather Seats

Drawing inspiration from home sofas, seats are designed with ergonomic characteristics to fit body gestures perfectly, providing all-around support and sought after comfort.

10 Safety Technologies

High Strength Safe Body Design

200T GAC MOTOR 2nd Generation Engine

Large torque, low fuel-consumption, and low noise. Outputs a max torque of 202N.m at 1500 rpm, delivering highly efficient power performance.

Aisin 6AT Transmission

Automatic and Manual Transmission Gear Shifting speed and smoothness are of cutting-edge level within the industry. In the meantime, it features low fuel-consumption, providing an economic and comfort driving experience.

**Devote to Improve Inner Strength
Drive Further and More Steadily**

**Stay Real to Your Original Aspiration
Everything Needed for this Journey of Dreams is Ready**

6-Airbags Protection

Electronic Parking Brake (EPB) + Autohold

360° Panoramic Parking System

Bosch Generation 9 Electronic Stability Program (ESP)

PEPS (Passive Entry Passive Start)

Cruise Control

GPS 3D Audio Navigation System

Connect Smart Entertainment with One Single Touch

Resonate with your heart, enjoy every exciting moment,
share the unlimited pleasure with the world.

8-in. Full-Color LCD Screen Display

3.5-in. TFT Combined Dash Board
