# *All New GS4*

In this era of intelligence, no one can be isolated.

Everyone, every vehicle is connected to each other and never go offline.

Live a life of joy and intelligence, for every journey in your life.

The second generation GS4, born with intelligence.

Just for you,

To wake your passion and love.

To make your journey more connected and exciting.

To bring you closer to the world.

To make every moment of your life joyous and intelligent.

Trendsetting exterior, GS4 has it!  
✓ **Light and Shadow Aesthetics**  
**Love at the First Sight**

✓ **Light and Shadow Sculpture 3.0**

The horizontal grill extends to get through the two headlamps, giving the front a cool touch. The smart headlamps and the striking fog lights make the front look fierce, dynamic and catchy.

**Beautiful Aesthetics**

People fall in love with pretty creature at the first sight.  
No matter for family, work or get-away trips, light and shadow 3.0 design concept makes you the center of attention wherever you go.

✓ **Dual-star Full LED Headlights**

Dual LED wick with full lens design provides an exquisite shape and brighten your way. Break the dark and shine.

✓ **Floating Roof Design**

The floating roof shapes a side profile like a leaping shark. The D-pillar vertical to the tail, with the smooth and dynamic lines, the vivid and elegant curve, the delicate proportion, will definitely surprise you.

✓ **Aisin 1.32m Ultra-large Panoramic Sunroof**

Super view brings super excitement. Full-view panoramic sunroof allows more light into the vehicle and brings you closer to the nature. Anti-pinch feature is also equipped.

✓ **Laser-Beam Flying-wing LED Taillights**

The lights as flying wings, with technologies combined with fantasy. The taillamp design is inspired by laser beam. The solid shape, the extending red light as flying eagle's wings, the horizontal chrome trim that links the two taillamps, make the tail unforgettable.

✓ **Smart Memory Side Mirrors**

Superior vision just for you. The driver cabin is connected to side mirrors by smart technology, which endows the mirrors with memory feature. The preferred mirror position can be recalled for up to 3 different drivers.
